

Hickory Wind Farm is located in scenic southwest Wisconsin approximately 9 miles north of Bangor (between La Crosse and Sparta.) It is an easy drive and the view is great.

- from Interstate 90 take the Bangor exit (Exit 15), and follow Hwy 162 North for 8/10th mile
- through Bangor (left at the gas station/stop sign), across the river marsh on State Hwy 162 for 1.4 miles
- Hwy 162 joins with State Hwy 16 at the stop sign – turn left and follow highway for 1/2 mile
- Turn Right on Hwy 162 (north)
- go 5.2 miles through Burns, past old white & red school house(at Niedfeldt Rd)
- at 5.2 miles turn right on Garves Coulee Road
- go about 2 miles to the top of the ridge through a hard right hair pin turn and gentle left curve to the top of the hill
- Driveway is on the left across from the mailbox (caution when turning!!)
